French Engineers Day, September 11, 1893 at the World's Columbian Exposition, Chicago.

Forty-five members of the Society of Civil Engineers of France visited the Fair as the guests of the Society of Western Engineers. Early in the day a reception was given them in the city of Chicago, and; upon arriving at the Exposition, they were received at the Administration Building by Director-General Davis and officials and engineers connected with, the Fair. Louis Rey responded in French to the Director General's cordial welcome.

ADMINISTRATION BUILDING.

Dimensions : 262 feet square; height of dome, 277½ feet; floor area, 4.2 acres. Cost, \$550,000.
